

As we navigate through the ever-evolving landscape of endocrine surgery, it brings me immense pleasure to address such a distinguished gathering of professionals committed to advancing the field.

Our association has always stood as a beacon of excellence, fostering collaboration, innovation, and the highest standards of patient care. As we reflect on our journey, it is evident that the strides we have made collectively have elevated the practice of endocrine surgery in our country.

In the spirit of unity, I encourage each member to actively engage in knowledge-sharing initiatives within our community. The Indian Association of Endocrine Surgeons Journal serves as a vital platform for the dissemination of groundbreaking research, clinical experiences, and best practices. Your contributions, whether in the form of research articles, case studies, or insightful reviews, play a pivotal role in shaping the future of our discipline.

In our pursuit of excellence, let us also remain committed to mentorship and nurturing the next generation of endocrine surgeons. By fostering an environment of continuous learning and mentorship, we ensure the perpetuation of our shared values and the preservation of the highest standards of care.

As we stand on the cusp of new breakthroughs and advancements in endocrine surgery, let us embrace change with open minds and collaborative spirits. Together, we can propel our association to greater heights and, in turn, elevate the overall landscape of endocrine surgery in India.

Thank you for your unwavering commitment and dedication to the field. I am confident that, with our collective efforts, we will continue to make significant strides in the realm of endocrine surgery.

Wishing you all continued success and looking forward to our shared journey ahead.

Warm regards,

Dr PV Pradeep
President
Indian Association of Endocrine Surgeons
