President, IAES

Dear esteemed members of IAES.

Warm Greetings to you.

I am honoured and privileged for being President of IAES 2013-2014.
Together we can achieve.

My heartiest congratulations to our Secretary Dr. Sai Krishna Vittal, our Treasurer Dr. J.W. Ebenesh Bensam for achieving Best section of ASI Award 2013 during my tenure.

I strongly believe that more members will be a strength of any association. My request to our members to motivate our friends to become IAES members.

My special thanks to our Editor in chief Prof. Dr. M.N. Kamaludeen for bringing this journal of IAES 2014 in an efficient manner.

Once again my sincere thanks to all our members and executive committee of IAES for their co-operation during my period.

I wish you all success in your future endeavour.

Let us stay united & connected.

With regards.
