Dear Esteemed Endocrine Surgeons,  
Greetings!

I am very happy to communicate to you through this Journal. Many of our active members have shared their experiences in their practice in this journal.

As diagnostic and therapeutic modalities have vastly advanced in recent years we have to update our knowledge through these kind of scientific journals.

Hope this Journal helps you in updating your knowledge and also keeps you in touch with the rare cases our members have experienced.

Long Live IAES !!!

Long Live ASI !!!

With Warm Regards

(Dr. S. Babu)
