

MESSAGE FROM THE HONBLE SECRETARY

Dr. Anand K. Mishra
Professor and Head
Department of Endocrine surgery
King George's Medical University
Lucknow-226003

It gives me immense pleasure and pride to invite you all in IAESCON 2018 and to present you all with this new edition of our society's IAES Journal. We have put genuine efforts to collect high quality manuscripts covering wide areas of Endocrine Surgery. I hope soon our journal gets indexed and the submission rates go higher up along with the readability.

The Editorial team including Dr Amit Agarwal, Dr R Manivannan and Dr Pooja Ramakant have worked very hard to get this new edition in a good shape and have formatted it very well.

I thank and congratulate all the Authors and Co- Authors who have submitted their manuscripts in this journal and helped us in getting it realised in IAESCON 2018 in Thirupathi.

I acknowledge everyone's efforts who have helped us in this journey of releasing this new edition of IAES Journal.

Long live IAES....

Anand K. Mishra
